

# Privacy Policy

## INTRODUCTION

The company has established a vehicle tracking service for eight years by a group of experts and specialists. It has established the foundations, objectives and strategies that enable it to become one of the leading companies in the Kingdom of Saudi Arabia.

## STATEMENT

This privacy policy applies to all personal data, which you submit through the website [www.gpstracmap.com](http://www.gpstracmap.com). This privacy policy has been developed for the customer to enhance his confidence in the privacy and integrity of his personal information.

## WHAT TO DO WITH THE USER INFORMATION YOU PROVIDE US

At all times, House of Development will maintain the privacy and confidentiality of all personal data you receive. This information will not be disclosed unless it is required or permitted by the customer or any government agency authorized in accordance with the applicable regulations to access such information or upon the written consent of the customer. When you enter user information, you agree that we retain your user information.

## UPDATES

We may change your privacy policy from time to time so you should review it periodically. Your use of the House of Development website is a sign of acceptance of the privacy policy applicable at that time. We reserve the right to change, modify or update this Privacy Policy at any time.

## DATA COLLECTION

To be able to provide its services appropriately, it may collect some personal information such as:

- Information given to us when registering with our services (such as name, address, e-mail and telephone number).

Information exchanged during our communications with you such as contacting customer service centers.

The Company will use that information for the following purposes:

- Providing products and services to its customers.
- Issuing invoices and services that the Company's customers have subscribed to or purchased.
- Legal and regulatory requirements.
- Establish and maintain a reliable business relationship with customers.
- Assisting the customer in selecting products and services.
- Provide information to the company's customers about new developments and products. When you use the site, you may encounter services where you are prompted as a user to enter your user information. Such user information is used only for the purpose for which it is collected, and any other purposes identified at the point of collection in accordance with this Privacy Policy. We will not disclose any user information you provide, except that you need to provide services that you have specified.

## Usage Of Location Data

- Allow Driver to bind with cars
- Your current location on the map.

## UNSUBSCRIBE

You may at any time cancel the service and there will be no refunds. Please note that we will not disclose your user information.

## PROTECT YOUR USER INFORMATION

Al-House of Development Company appreciates your concern and interest in the privacy of your data on the Internet, as the company makes every effort to provide high quality service to all its customers. This policy is designed to help you understand the nature of the data we collect from you when you visit our website and how we treat this personal data. By logging in to the mailing list of your security customizers, the privacy of your email address will remain respected and will not be published.

## MAKE ANY INQUIRIES OR OBSERVATIONS

The data provided by you will be used to respond to all your inquiries, comments or requests from Tracking Maps. All data provided by you will be treated as confidential. Models submitted directly on the network require data that will help us improve the quality of customer care. You can review and update your information in our customer database. We recommend that customers update their personal information immediately, when required.

## CONCLUSION

Your concerns and concerns about the confidentiality and privacy of data are of paramount importance to us. We hope that this will be achieved through this policy.
